Your Experience in Musical Theater

Where do you most want to offer your talents to the production of the program's musical? (Keep in mind that regardless of your eventual contribution, all enrollees are required to participate in the boot camp in singing, acting, dancing, and design. Potential members of the pit orchestra should check the on-line program description for details on the instruments required for the production.)

on-stage back-stage pit orchestra (instrument: _____)

Briefly describe or outline any previous experience you have had with musical theater. List any shows you've done and the roles you played in those shows. Mention any off-stage experience you've had (lights, sound, pit orchestra, etc.). How do you think you could be contribute to the production that Broadway on the Elbe will mount?

Preparing an Audition File

If you hope to land an onstage role, prepare and submit a digital—i.e., an mp4 or comparable video file—sample of your singing ability. If you hope to join the pit orchestra, submit a sample of your playing ability. Label the file as follows: “Aud” (for audition), your last name and your first initial, and a two-digit designation of the day of the month you were born. Include a suffix as appropriate. For example, if your name is Rachel Jones and you were born on October 6, your label would read as follows: **AudJonesR06.mp4**. This file should be no more than five minutes long.

For the audition, you should do the following:

1. State your name.
2. Sing one song of your choosing, preferably from the musical-theater canon. The song may be sung accompanied or a capella. If your intention is solely to join the pit orchestra, submit a sample of your playing ability instead.
3. After the song, tell us about your theatrical experience, if any. In which shows have you participated in school, community theater, etc.? What is your favorite theatrical experience? Do you dance? Have you had dance training? Tap? Jazz? Ballet? Do you have any special skills (e.g., juggling, acrobatics, sign language, yodeling)? Do you play a musical instrument? Do you have experience running lights, sound, or other backstage aspects of a show?

At the conclusion of the recording, please clearly state your name again, your hometown, and your state or country.

After your application has been submitted, you will receive a notice confirming receipt of that document and providing information on how to submit the audition file described above.
